> THE OLD QUESTION. Who killed Cock Robin? It was I, said the sparrow, I killed Cock Robin With my bow and scrow.

Andrew Johnson has so persistently laimed the honor, or his friends for him, of having destroyed Know-Nothoppose Andrew Johnson. Ingism in Tennessec, that the fact has been generally conceded. Even the APPEAL has awarded him this honor. His coadjutors in this work, from the beginning, were McMahon, of the En-Wright, and very many other old-line Whigs, who never hesitated or faltered in waging relentless warfare against in waging relentless warfare against in the combination having origin in Philadelphia, and which, at one time, threatened to overspread and control the elections of the whole country. It was a member of Congress representing the city of Philadelphia and that came to Momphis and organized Know-Nothing wigwams here and throughout the South. Multitudes were at first inveigled into the organization soon to abandon it, and among the very will be a supported to the single particular course, have and the writer show it was untrue while penning the course in the close of an immediate and unconditional secons of the State.

Resolved, That we will vote for no man for any political position who is not in favor of an immediate and unconditional secons of the State.

Resolved, That we will vote for no man for any political position who is not in favor of an immediate and unconditional secons of the State.

Resolved, That we will vote for no man for any political position who is not in favor of an immediate and unconditional secons of the State.

Resolved, That the diea of a Middle State Confederacy, as advocated by positional leaders and tricksters, deserves will follow him to the grave. Colonel Kellar's organ says: "There is in this compressional district a clear anti-Radical majority of from seventeen to nine-tent thousand. Official returns of elections for years past prove this beyond doubt." This is untrue, and the writer knew it was untrue while penning the of Southern rights, and that they will some the condemnation of every Tennessee and who regards the present or future safety of her institutions.

Resolved, That we will vote for no infavor of an immediate and unconditional secons of the State.

Resolved, That the diea of a Middle State.

**State Confederacy, as advocated by positional transmitters of the condemnation of every Tennessee and who regards the present or future safety

soon to abandon it, and among the very knew it was untrue while penning the softes to define the evils and dangers of secret political associations was the Hon. Wm. T. Avery. In the APPEAL, 1855, appears a speech of Mr. Avery blacks as follows.

The subset of the advocates and supporter of Southern rights, and that they will carry with them, whether in public or private life, the confidence and gratingures: By the State census of 1871 the voting population of this district by counties was 20,844 whites, and 16,272

For expressing such sontiments as MEMPHIS. from which we make extracts, for the blacks, as follows: reason that in asserting Andrew John- Shelby..... son's claims to popular honors the APPEAL unwittingly did injustice to its partisan enemies of the olden time. So Total 2004 18,252 cere in the views he expressed at Raleigh bitterly hostile to the secret organiza- From the above census returns it will in April, 1861. He certainly reflected Colonel McMahon, Governor Jones, Mr. sand six hundred and eighty-six more and as long as we can wield a pen we Yerger, and other Whigs, that they be- white voters in this district than black intend to defend him from the assaults

extracts from the speech of Mr. Avery, dred and eighty votes. Indeed, Lewis's the Avalanche in its war on Kellar and made at Covington in 1855, in which he majority would reach seven thousand, the Raleigh resolutions! red his connection with the masses as there are twelve or fifteen hundred of his political associates of preceding white Radicals in this district, while the MOW NULTITUDES ARE GATHERED. negroes will cast a solid vote for Lewis. The attractiveness of the Exposition years. Mr. Avery said: But the great objection I have to the Again: At the last election for Congress of art and industry made in the build reign branch of the Know-Nothing in this district the vote stood: ing on Jefferson and Court streets, is platform is the indiscriminate prescrip-tion of all foreigners. I look upon it as creating and building up in our very midst a party—a proscribed, a degraded, a foreign party—whose very prescription

ase and of friends.

I ask if foreigners don't vote for mericans, and don't they rule America.

We tax foreigners and Catholics, make dred and ninety-seven votes. Divide country contains. Inventive genius has sent to the hall very few specimens of We tax foreigners and Catholics, make dred and ninety-seven votes. Invite them muster and work on the roads, and Vanghan's vote between Kellar and its handlwork, and yet there is not a COTTON AND COMMISSION shiped them to all the penalties and Haynes, and give Barbour Lewis the shop in the city which has not letters intellities of native-boar cilizens, and give Barbour Lewis the patent for some improvement in the still it is sought to deprive them of the most priceless boon of freemen. * 1870, and Lewis is elected by a majority mechanic aris. To these, special industrial and the still the second control of the second c entisfaction to the whole country, yet how many thousands in Ten-

But the place COTTON FACTORS with this America of ours, with its serty-hunting tributes from every me. She takes them all in her ca-

crious bosom, and bears them along in crigrandour and her glory, and will so continue until at the end of time they well menchants LEAD THE WAYT due to fart, skill, taste and toll that fill In every Western city, except Mem-the Exposition Building.

But, now, as to the religious feature.

phis, merchants speedily consolidate their power, give shape to public opinion a qualification to office? This matter religion rests, and should forever rest. poses of the community, and thus wield tween the creature's conscience and limitless influence and shape the composes of the community, and thus wield mercial destinies of a metropolis. They are to interfere between the creature's conscience and his God, the creature's conscience and his God, e creature's conscience and his tool, usurys for himself a high prerogative. Louis, and, at last, in response to sugnish has never been parted with by the gestions persistently made by the Ap-PHAL, we have a practical proposition But they say that Catholicism is anti-tepublican, and that the principles and eners of the Catholic religion are inwhich should be considered and adopted

Republican, and that the principles and tenes of the Catholic relation are incompatible with the spirit and genius of our free institutions. I want to talk to you as men of sense about this matter. Does the conduct of the Catholic population of this country since the foundation of the government, aye, even back to the memorable time when the first revolutionary through the population of the government, aye, even back to the memorable time when the first revolutionary through the assertion? Look to Catholic Maryingto in the darkest days of our revolutionary struggle. Did she flinch from the fierce comfict for liberty. Was Charles Carroll of Carrollton the last signer of the declaration of independence, anti-ropulsican, or do you suppose that all the Popes that ever existed, had they thundered against him their religion unfitted them for the high daties of their office? Hay no for the high daties of their office? Hay no for the high daties of their office? Hay no for the high daties of their office? Hay no for the high daties of their office? Hay no for the high daties of their office? Hay no for the high daties of their office? Hay no for the high daties of their office? Hay no for the high daties of their office? Hay no for the high daties of their office? Hay no for the high daties of their office? Hay no for the high daties of their office? Hay no for the high daties of their office? Hay no for the high daties of their office? Hay no for the high daties of their office? Hay no for the high daties of their office? Hay no for the high daties of their office? Hay no for the high daties of their office? Hay no for the high daties of the reach of the case in the case in the case in the case in the case of the case in the case in the case of the case in the case of the last of the case in the case of the case of the case in the case of the case in the case of the case of the case in the case of th sae City would invest another three hundred them for the high daties of their office. Have not Catholics, in every war in which our county has been engaged in period with the blood of the native-born elizen, in defense of the rights of their country?

How was it in the late war with Mexico? Did they not invade the country of their religion and help to plant the American standard—the consecrated stars and stripes of Protestant Regulaican attracted by a rapidly progressive and expanding railway system of the City of Mexico? Why, genitement the results and stripes of Protestant Regulaican attracted by a rapidly progressive and expanding railway system of the City of Mexico? Why, genitement the results and stripes of Protestant Regulaican attracted the consecrated stars and stripes of Protestant Regulaican attracted the railway, west of kanase Pacific railway, west of kanase and it is not good to be a stripe of Protestant Regulaican attracted to the consecrated stars and stripes of Protestant Regulaican attracted to the consecrated stars and stripes of Protestant Regulaican attracted to the consecrated stars and stripes of Protestant Regulaican attracted to the consecrated stars and stripes of Protestant Regulaican attracted to the consecrated stars and stripes of Protestant Regulaican attracted to the consecrated stars and stripes of Protestant Regulaican attracted to the consecrated stars and stripes of Protestant Regulaican attracted to the consecrated stars and stripes of Protestant Regulaican attracted to the consecrated stars and stripes of the City of Mexico? Why, genited the consecrated stars and stripes of Protestant Regulaican attracted to the consecrated stars and stripes of Protestant Regulaican attracted to the consecrated stars and stripes of Protestant Regulaican attracted by a rapidly progressive and expanding railway system and stripes of Protestant Regulaican attracted by a rapidly progressive and expan men, these are times about which I can speak with a fresh recollection; and I anxiety to secure access to the Missis-

his personal organ. The organ has made In the Know-Nothing excitement is a moral and political epidemic, and, like all epidemics, it will be violent in its course and short-lived. It is encef these including the following resolutions, as reported by including the following resolutions are reported by the following resolutions are rep

course and short-lived. It is one of those hallucinations that there is no accounting for, and the only remedy is time. We are consciousness that we have not been carried away by the excitement, and that we are strong enough in the midds of temptation, silversity and peril to bold fast to the principles of totocration and freedom taught in the constitution of our country. The time will come when some of our acquaintances, who now glory in the triumph of the bour, will biflerly repeat that they did not follow our example. It is in periods like this that fidelity and steadfastness to principles are tried. The weak and the time-serving fall before the gale, and only the strong and the manly can stand up under its pressure.

These extracts show that others besides Andrew Johnson fought the bartile against Know-Nothingism. Yet the foreigners would give all the honor to Andrew Johnson, and join J. O. Shackelford, who so often sweitered and tuttonholed his comrades in Know-Nothingism. The theorem is the second of the state of the principles, upon while good and true men can safely stand.

Resolved It is one country.** The time will take for time serving fall before the gale, and only the strong and the manly can stand up under its pressure.

These extracts show that others besides Andrew Johnson fought the bartile against Know-Nothingism. Yet the foreigners would give all the honor to Andrew Johnson, and join J. O. Shackelford, who so often sweitered and tuttonholed his comrades in Know-Nothingism. Yet the foreigners would give all the honor to Andrew Johnson, and join J. O. Shackelford, who so often sweitered and tuttonholed his comrades in Know-Nothingism. The time seed of the friends in other parts of the Southern confedence and the foreigners would give all the honor to Andrew Johnson, and join J. O.
